

LIZA C BROWN

2620 Balboa Street ♦ San Francisco ♦ 94121 ♦ tigerlil@sbcglobal.net ♦ 415.867.8186

□ SUMMARY

I am seeking a mid-Senior to Senior level UI Development position that requires my extensive skill set in UI management, production and front-end fine tuning. I'm a front-end specialist with that ideal mix of technical acumen and design expertise. I'm adept at bringing diverse groups of stakeholders to consensus and getting the project completed.

□ UI DESIGN & DEVELOPMENT SKILL SET

CSS/XHTML wiz (semantic) ♦ Strong familiarity with XML/XSLT ♦ ActionScript 3.0 ♦ Excellent Trouble-shooting skills
UX & interactive design ♦ Working knowledge of JavaScript & MooTools/JQuery ♦ Video deployment
Cross platform/browser-safe development ♦ UI design that supports server side scripting ♦ Wordpress stylist

□ PROGRAMS

Adobe CS4: Dreamweaver, Flash (AS 3.0), Media Encoder, Photoshop, Fireworks, InDesign, Illustrator ♦ Kuler Color Tools
MS Office ♦ Suite Camtasia ♦ IShowYou (screenshot) ♦ BbEdit

□ EMPLOYMENT HISTORY

Subject Matter Expert & Instructor: Academy of Art University Faculty 2008 - 2010
Flash, Portfolio Design, Web Production, Dreamweaver and Adobe Suite

Notable: Writing the online course for Flash Portfolio Online for Artists. Also created re-usable, advanced interactive gallery components (with Flash ActionScript) for my students to use and customize.

Senior Lead Designer: Academy of Art University Cybercampus 2002 – 2007
Learning Management System for 10,000 world-wide online enrollment

Notable: Credited with saving the LMS front-end just prior to launch in 2007. Brought in at the last minute and managed and rebuilt the CSS and led the UI design; consulted on the backend. Responsible for communicating between four groups of stakeholders. Rate of class production increased 25%.

Prior Job Positions: Design supervisor; project manager; online strategic coordinator; master trouble-shooter; web producer, E-learning and interactive designer; hiring manager; template manager

Freelance Web Development & Design: Tigerlil Design 2002 – 2009
Independent Web Contractor

Clients have included Lightspeed Venture Partners, SF IT Training, The Strand Salon, Caroline Day Design Interiors, SF Friends of Chamber Music and Gladstone Botanicals.

Instructor: Bay Area Video Coalition 2001-2002
Workshops, MediaLink, YouthLink. for HTML, Flash, PhotoShop, Dreamweaver, CSS
Instructional Aid & Tutor to MediaLink students initially

□ TRAINING

♦ Supervisor Management Training, ActionScript
Learn It 2005

♦ Certificate in Multimedia Production
MediaLink BAVC San Francisco 2001
